Why Mastarclass Course

It's Infuriatingly Difficult To Find The Core Ideas Of Making Software Usable. The Principles That Come Up Again And Again. And Yet Those Are The Most Important Things! It's Infuriatingly Difficult To Find The Core Ideas Of Making Software Usable. The Principles That Come Up Again And Again. And Yet Those Are The Most Important Things!

There's Room For All Of Us Here, By The Way. Humans Are Pretty Complex Little Lumps Of Emotions And Values And Wants And Needs. Trying To Design Something We Love? It's Fundamentally Interdisciplinary.

And yet it's so critical. Consider the following.

Digital Strategy Framework
